FUND A CURE RESPONSE FORM

Fund A Cure Suggested Levels -- $10,000, $5,000, $2,500, $1,000, $500

At the Promise Ball there will be a moment after the live auction when the room is stilled and the story of hope unfolds; we call this special time our Fund A Cure. During this time, guests will have the opportunity to donate directly to research and fund the science that will one day transform the lives of our family members and friends with type 1 diabetes. If you cannot attend the event, you still have the opportunity to support JDRF. The goal for Fund A Cure is $805,000. We are optimistic that increased and focused research funding will help us reach our goal. Together we will be known as the people who cured diabetes. 100% of your Fund A Cure donation goes to JDRF research.
